

# California Water Commission

## Process for Considering Resolutions of Necessity

DRAFT

Public  
comments may  
be submitted  
for CWC  
consideration  
throughout the  
process

DWR notifies California Water Commission (CWC) staff of request for consideration of  
**Resolutions of Necessity**

CWC sends notification to landowners  
at least 21 days before meeting

First CWC Meeting — Consider staff report on project and authorization, hear public comments, may request additional info. Schedule item for further consideration or action at future CWC meeting.

CWC sends notification to landowners  
at least 21 days before meeting

Second CWC Meeting — Consider additional information, hear public comments, determine if proposed action meets statutory requirements (Code of Civil Procedure 1245.230)

If **YES**,  
adopt Resolution  
of Necessity

If **NO**,  
Deny or...

...request more info  
for consideration at  
future meeting(s)
